Testimonials

“This camp totally exceeded our expectations! Thank you for managing an amazing camp and truly fabulous team. We thoroughly enjoyed our stay, the great food and wonderfully friendly service. We wish you all much success & will definitely be telling all our friends about this camp. Thank you very much.”

— Vijay & Kermeez, Australia

“We had a lovely time here meeting other families over pre-dinner drinks and the good food, and comfy beds with hot water bottles. Returning from a great crater day seeing baby elephants, zebras, warthogs and monkeys, our kids discovered a herd of some 50 elephants dining in the foliage just beyond the lowest tent. We watched them, including babies, until the young cattle herders urged them on so they could bring their cattle through safely. Everyone is unfailingly nice and helpful. A terrific introduction to Africa!”

— The Baldwin-Zieck Family, United States

“Thank you for an absolutely fabulous stay. The camp is so beautiful and tranquil. It has been so lovely to stay surrounded by nature. We loved the fire and our tent and the friendly helpful staff. Hope to see you again!”

— Theresa & Ben, United Kingdom

“We very much enjoyed our stay! The food, service and accommodations were excellent! We have a new sense of bravery since sleeping amongst the wild in the kingdom of hyenas, wildebeest and elephants. It was a remarkable experience we’ll carry with us a lifetime.”

— Dave & Andrea and Joe & Eric, United States

“Who would imagine that every need would be anticipated in this beautiful bush camp. We were expecting to have to rough it to a certain degree. That didn’t happen at all! We were showered with attention. Great food and care and concern from the staff. Hoping that this camp exists for a long time with great success.”

— Jim and Vicky, United States
